**2011 Bob Peterson Memorial Telecommunications Scholarship**

James Valley Telecommunications will be awarding five \$1000 scholarships this year to area seniors whose parents or legal guardians are members of the cooperative.

Scholarship applications have been forwarded to the guidance counselors at area schools. Applications are also available online at [www.jamesvalley.com](http://www.jamesvalley.com).

The deadline for returning the scholarships to James Valley Telecommunication's office is April 4, 2011.

Seniors must be attending an accredited college, university or vocational school in South Dakota in the fall of 2011. A minimum GPA of 2.0 is required. As part of the application process, all students shall submit a short essay of 500 words or less answering the question, "How will you use technology to further your post high school education?"

## Oprah Winfrey Network (OWN) launched January 1

Oprah fans are well aware of her new network. For those of you who haven't already tuned in, Discovery Health (channel 24) became OWN-Oprah Winfrey Network January 1.

The much anticipated network is dedicated to self-discovery and what Oprah Winfrey calls mindful television. Shows include: *Kidnapped by the Kids*, *Miracle Detectives*, *Our America with Lisa Ling* and *Season 25: Oprah Behind the Scenes*.

For those of you who are worried about missing your favorite Discovery Health show, don't fret! New episodes of *Mystery Diagnosis* premiered in January and *Deliver Me* will return with new episodes later this year.

Visit [www.oprah.com/own](http://www.oprah.com/own) for more information about OWN and the upcoming programming.

## JVT Improves Webmail

JVT will be enhancing its webmail portal in the month of February. The new Email WebClient performs the way users expect from desktop clients including drag & drop, right-click, pop-up reminders, multfile upload and audio notification of email.

The WebClient interface for composing and reading email is user friendly, containing common desktop-like features, including auto-suggestion, full text search, HTML message composition and automatic spell checker.

Users will log into the webmail portal the same way they have previously and all data including contacts, emails, and calendar events will not be affected. If you have any questions about the webmail change please contact one of our Internet experts by dialing 611 from your home phone.

## Phone Directory Changes and Additions

James Valley Telecommunications is getting ready to publish the June 2011 phone directory. Please take a moment now to check your listing in the 2010 directory. If you would like any additions or changes to your existing listing in the white pages, please call 611 to make sure these changes are incorporated in the next phone book.

You may want to consider adding information such as a PO Box, an email address, or a cell phone number. There is no charge to list a PO Box in the same community as your 911 address. If you have a cell phone from James Valley Telecommunications, you can also list your cell number at no charge.

Additional line listings (email addresses, non-James Valley Telecommunications cell phones, lake cabins, etc.) are \$1.00 per month. There is a one-time \$5.00 fee to change your current listing.

THE DEADLINE FOR PHONE DIRECTORY CHANGES WILL BE ANNOUNCED IN THE MARCH NEWSLETTER.

## Yellow Page Sales

The official JVT phone directory sales representative, Virg Geary of Independent Pinnacle Services, will begin contacting businesses late this month and early next month about their advertising for the June 2011 phone book.

All members are encouraged to check their white and yellow page listings and call our office at 611 if you would like any changes made.

## Getting the Network

in your mailbox is great, but why not also get it in your inbox!

Sign up for JVT's newsletter. Send an email to [marketing@jamesvalley.com](mailto:marketing@jamesvalley.com) to request being added to the list.
